

## Welcome to Movie Voice!

I had a blast working with talented voice over artists to create this free pack!  
In the download you will find hundreds of lines that you can mix and match to make thousands of variations and combinations.

Special thanks to Andrew (<http://www.youtube.com/forgetrackaudio1024>) who created the free music pack and sound hits. Aaron, the VFX Bro created the After Effects Trailer template. <http://www.youtube.com/thevfxbro>

If you use the **Movie Voice Pack** to create an awesome video, post it to my [facebook page](#) so I can take a look!

Enjoy and Happy New Year!

## VOICE LINES OF "ANDREW" AND "JOE"

### **Ancient Mysteries**

Do you believe?  
Have compelled man  
Have never been solved  
It is possible  
Science is all around us  
Since the beginning of time  
Some ancient mysteries  
Some are doomed  
The truth is uncovered  
The wonders of the world  
They will search for answers

Until now  
Until today  
You will believe in miracles

### **Classic Trailer Lines**

Alien  
An absolute must see  
Be prepared  
Everyone has secrets  
Everything is about to change  
From the director of...  
Hang on to your seats  
He has been chosen  
In a world where...  
In theaters  
Now in theaters  
Nuclear war has begun  
Only one will rule them all  
The dark gets even darker  
The Hobbit  
The Incredibles  
There is only one  
There's only one hope  
This Christmas  
This spring  
This summer  
Titanic  
To save earth  
To save his people  
To save them  
To scream  
Vampires roam  
You will be terrified

### **Courage**

A test of courage  
A triumph of will  
Are going  
Battling the forces of evil  
Comes an epic story of the hear  
Some things are beyond legend  
The long awaited epic adventure  
To take an unforgettable journey  
Together they found the courage

### **Escape**

For escape  
There is always a way  
They may never return

They shared an extraordinary adventure  
They will never return

**Heroic Adventure**

A hero  
Devoured earth  
For thousands of years  
Gone unnoticed  
He is  
He is going  
He is legend  
Ruled the earth  
That can be called  
Their adventure will rock the silver screen  
Their adventure  
They are going  
They  
Went undetected  
Where no one has dared to go  
Where no one has gone before  
Will rock the silver screen

**Patriot**

For honor  
For hope  
For justice  
For liberty  
They proudly serve  
They will fight  
This country  
To keep us safe  
To the death

**Roman Empire**

A power  
Controls humanity  
Controls the future  
Controls the world  
For centuries  
From the time of Alexander the Great  
Look like fools  
No man could travel faster  
Rome wasn't built in a day  
Shudder  
Step inside the world  
Than the hose that carrier him  
That makes emperors and kings  
They lived in peace  
They lived in the shadows

Whoever controls this

**Television**

An all new episode  
Coming soon  
Premieres tonight  
The season premiere begins tonight  
Viewer discretion is advised

**The Dead**

Never assume  
Secrets of the Dead  
They are better than ever  
They are coming  
They will come  
They will find you

**The Man**

All he wanted  
But they can never break him  
Now he is on his own  
The nation is under siege  
They can attack him  
They can judge him  
Was to be loved  
Was to belong  
Was to fight

**VOICE LINES OF "PAUL"**

**Classic Trailer Lines**

A long time ago  
Action packed and inspirational  
An absolute must see  
And he will do anything  
And she will do anything  
And this time  
Be prepared  
In a world where

**Heroic Adventure**

A hero will rise  
About love and hope  
About passion and desire  
An enchanting story  
Beyond their wildest dreams  
Comes great responsibility  
For the first time  
He was young  
How far would you go?

No one is born a hero  
Once in a lifetime  
One desire  
The legacy lived on  
They were young  
To follow your faith  
To protect the city  
To protect what he loved  
With a destiny so strong  
With great power comes great responsibility  
With great power

**In Darkness**

An ancient evil  
An evil will rise  
Faceless terror  
Going unnoticed  
It's back  
Must be told  
Nighttime fears  
The game isn't fun  
The internet doesn't exist  
The walls are closing in  
They're back  
Think again  
To scream  
Unless you write the rules  
Vampires Roam  
When you thought it was over  
You will be terrified

**Secrets**

Every hero  
Everyone  
Has their secrets  
Has their weakness  
Right before your eyes  
That has not yet been fulfilled  
That will soon be fulfilled  
The secrets of the universe  
The time is near  
The truth

**Space Inspiration**

From the outer most edges of space  
Have laid dormant for centuries  
In the midst of darkness  
Nuclear war has begun  
Out of the depths

That knows no boundaries  
The events will unfold  
There was an ancient prophecy  
Throughout history  
Will be revealed  
Will grip your soul  
Will inspire you  
Will lift you up

**Theatrical**

Based on a true story  
Even funnier  
Hang on to your seats  
In theaters everywhere  
On Sunday night  
Please silence your cell phones  
Take your family on a journey  
The best part  
The final episode  
The perfect film to start of 2013  
This Christmas  
This summer  
This winter  
This years biggest blockbuster

**Critics Are Calling...**

Absolutely Terrible

Beautiful

Critics are calling it...

From the director of...

From the makers of...

From the producers of...

Legally blonde

Lord of the Rings

Men in Black

Romantic

Sensational

Shawshank Redemption

The best comedy of the year

The best movie of all time

The Hobbit

The Titanic

The worst film ever

Twilight

Waste of money

**Darkness Before Dawn**

Does not exist

Earth as we know it

Even in the dark, there is still hope

Even in the dark

Everyone has secrets

Everything changed

Everything is about to change

It is darkest before the dawn

It is the darkest before the dawn

The dark gets even darker

The world is no longer

There is nowhere to hide

There is still hope in the darkness

They will find you

This will make for one epic trailer

To seam

Vampires fought back

Vampires roam

When you thought you were alone

Will never be the same

You will be terrified

You will be thrilled

You will never need

Zombie attack

**Hero Rises**

For good  
For the better  
For the worse  
Good versus evil  
Has been destroyed  
He has been chosen  
To find the one who can save the human race  
To save earth  
To save his people  
To save the world  
To save them

**One...**

One decision  
One girl  
One leader  
One man  
One voice over  
One weapon  
Only one will rule them all  
She has been chosen  
There's only one hope  
There's only one man  
There's only one woman  
This is his last chance
